# INID CODES FOR IDENTIFICATION OF BIBLIOGRAPHIC DATA

## INVENTIONS, UTILITY MODELS

- (10) Number of publication for application, which has been examined
- (11) Number of patent and kind of document
- (21) Serial number of application
- (22) Date of filing of the application
- (23) Date of exhibition or the date of the earlier filing and the number of application, if any
- (24) Date from which patent may have effect
- (31) Number of priority application
- (32) Date of filing of priority application
- (33) Code of the country or regional organization allotting priority application number
- (44) Date of publication of application not granted, but examined and number of bulletin
- (45) Date of publication of registered document
- (51) International Patent Classification Index
- (54) Title of the invention
- (57) Abstract
- (60) Number of examined patent document granted by foreign patent office, date from which patent has effect and country code
- (62) Number of the earlier application and in case of divided application, date of filing an application
- (71) Name, surname and address of applicant (country code)
- (72) Name, surname of inventor (country code)
- (73) Name, surname and address of patent owner (country code)
- (74) Name, surname of representative or patent attorney
- (85) Date of commencement of the national phase of International Application
- (86) Number and date of filing of international application
- (87) Number and date of publication of international application

## DESIGNS

- (10) Number of publication for application
- (11) Number of patent and kind of document or number of registration
- (15) Date of registration/Date of patent renewal
- (18) Expected expiration date of patent or registration
- (21) Serial number of application
- (22) Date of filing of the application
- (23) Date of exhibition or the date of the earlier filing and the number of application, if any
- (24) Date from which patent may have effect
- (28) Number of designs included in the application
- (30) Data relating to priority (number of application, date of filing of application, two-letter code identifying the authority with whom the priority application was made)
- (31) Number of priority application
- (32) Date of filing of priority application
- (33) Code of the country or regional organization allotting priority application number
- (34) Two-letter code according to WIPO St.3 identifying the authority with which the priority application was made
- (44) Date of publication of design and number of bulletin (the first publication)
- (45) Date of publication of design registered by WIPO and number of bulletin
- (51) International Classification for designs (class and subclass of the Locarno Classification)
- (54) Title of the invention
- (55) Reproduction of the design
- (57) Description of characteristic features of the design including indication of colors
- (62) Number of the earlier application, registration and document number and if available the date of filing an application in case of divided application
- (71) Name, surname and address of applicant (country code)
- (72) Name, surname of creator (country code)
- (73) Name, surname and address of patent owner (country code)
- (74) Name, surname of representative or patent attorney
- (81) Contracting states concerned
  - II designated contracting states according to the 1960 Act
  - III designated contracting states according to the 1999 Act
- (85) Owner's permanent address
- (86) Owner's nationality
- (87) Owner's residence
- (88) State in which the owner has a real and effective industrial or commercial establishment

## TRADEMARKS

- (111) - Number of registration
- (151) - Date of registration
- (156) - Date of the renewal
- (181) - Expected expiration date of registration
- (186) - Renewal expiration date of registration
- (141) - Date of cancel of duration of the mark
- (210) - Serial number of application
- (220) - Date of filing of the application
- (230) - Data concerning exhibition
- (260) - Number of application, for which favorable decision of examination about registration has been taken (publication number)
- (310) - Number of the first application
- (320) - Date of filing of the first application
- (330) - Code, identifying national or regional Office where the first application was made
- (511) - International Classification of Goods and Services for the purposes of registration of trade marks and/or list of goods and/or services classified according thereto
- (526) - Disclaimer
- (531) - Description of figurative elements of Trade Marks according to the International Classification of the Figurative Elements of Marks
- (540) - Reproduction of Trade Mark
- (550) - Nature and kind of Trade Mark
- (580) - Date of recording of any kind changes in respect of applications or registrations
- (591) - Information concerning colors claimed
- (731) - Name and address of the applicant
- (732) - Name and address of the holder of the registration
- (740) - Name and address of the representative
- (750) - Address for correspondence
- (770) - Name and address of the previous applicant or holder in case of change in ownership
- (771) - Previous name and address of the applicant or holder in case of change in ownership
- (791) - Name and address of the licensee
- (793) - Indication of conditions and/or restrictions under the license (Type of license, number of license agreement, data of license, data of validity of license)
