INVENTIONS, UTILITY MODELS

- (10) Number of publication for application, which has been examined
- (11) Number of patent and kind of document
- (21) Serial number of application
- (22) Date of filing of the application
- (23) Date of exhibition or the date of the earlier filing and the number of application, if any
- (24) Date from which patent may have effect
- (31) Number of priority application
- (32) Date of filing of priority application
- (33) Code of the country or regional organization allotting priority application number (44) Date of publication of application not granted, but examined and number of bulletin
- (45) Date of publication of registered document
- (51) International Patent Classification Index

DESIGNS

- (10) Number of publication for application
- (11) Nnumber of patent and kind of document or number of registration
- (15) Date of registration/Date of patent renewal
- (18) Expected expir ation date of patent or registration
- (21) Serial number of application
- (22) Date of filing of the application
- (23) Date of exhibition or the date of the earlier filing and the number of application, if any
- (24) Date from which patent may have effect
- (28) Number of designs included in the application
- (30) Data relating to priority (number of application, date of filing of application, two-letter code identifying the authority with whom the priority application was made)
- (31) Number of priority application
- (32) Date of filing of priority application
- (33) Code of the country or regional organization allotting priority application number
- (34) Two-letter code according to WIPO St.3 identifying the authority with which the priority application was made
- (44) Date of publication of design and number of bulletin (the first publication)
- (45) Date of publication of design registered by WIPO and number of bulletin

TRADEMARKS

- (111) Number of registration
- (151) Date of registration
- (156) Date of the renewal
- (181) Expected expiration date of registration
- (186) Reneval expiration date of registration
- (141) Data of cancel of duration of the mark
- (210) Serial number of application
- (220) Date of filing of the application
- (230) Data concerning exhibition
- (260) Number of application, for which favorable decision of examination about registration has been taken (publication number)
- (310) Number of the first application

(11)

(11)

- (320) Date of filing of the first application
- (330) Code, identifying national or regional Office where the first application was made

(10) AP 0000 0000 A - number of published application for invention (first publication) P 0000 0000 B - number of patent for invention (second publication)

D 0000 000 S - number of patent for design (second publicatio)

(21) AP 0000 000000 - serial number of application for invention

(511) - International Classification of Goods and Services for the purposes of registration of trade marks and/or list of goods and/or services classified according thereto

- (54) Title of the invention
- (57) Abstract
- (60) Number of examined patent document granted by foreign patent office, date from which patent has effect and country code
- (62) Number of the earlier application and in case of divided application, date of filing an application
- (71) Name, surname and address of applicant (country code)
- (72) Name, surname of inventor (country code)
- (73) Name, surname and address of patent owner (country code)
- (74) Name, surname of representative or patent attorney
- (85) Date of commencement of the national phase of International Application
- (86) Number and date of filing of international application
- (87) Number and date of publication of international application
- (51) International Classification for designs (class and subclass of the Locarno Classification)
- (54) Title of the invention
- (55) Reproduction of the design
- (57) Description of characteristic features of the design including indication of colors
- (58) Date of recording of any kind of amendment in the Register
- (62) Number of the earlier application, registration and document number and if available the date of filing an application in case of divided application
- (71) Name, surname and address of applicant (country code)
- (72) Name, surname of creator (country code)
- (73) Name, surname and address of patent owner (country code)
- (74) Name, surname of representative or patent attorney
- (81) Contracting states concerned II designated contracting states according to the 1960 Act
- III designated contracting states according to the 1999 Act (85) Owner's permanent address
