| (31) Number of priority application | (72) Name of inventor (country code) |
| (32) Date of filing of priority application | (73) Name and address of patent owner/patent owner***/ registered utility model owner***
(country code) |
| (33) Code of the country or regional organization allotting priority application number | (74) Name of representative or patent attorney |
| (43) Date of publication of application, number of bulletin*** | (85) Date of commencement of the national phase of international application (PCT) |
| (44) Date of publication of examined application, on which no grant has taken place and
number of bulletin | (86) Number and date of filing of international application (PCT) |
| (45) Date of publication of patent/ Date of publication of patent***
Date of publication of registered utility model*** | (87) Number and date of publication of international application (PCT) |
| | (94) Calculated date of expiry of the SPC or the duration of the SPC |

DESIGNS

- | | |
|---|--|
| (10) Number of publication for application | (51) International Classification for designs (class and subclass of the Locarno
Classification) |
| (11) Number of patent and kind of document or number of registration | (54) Title of the invention |
| (15) Date of registration/Date of patent renewal | (55) Reproduction of the design |
| (18) Expected expiration date of patent or registration | (57) Description of characteristic features of the design including indication of colors |
| (21) Serial number of application | (58) Date of recording of any kind of amendment in the Register |
| (22) Date of filing of the application | (62) Number of the earlier application, registration and document number and if available the date
of filing an application in case of divided application |
| (23) Date of exhibition or the date of the earlier filing and the number of application, if any | (71) Name, surname and address of applicant (country code) |
| (24) Date from which patent may have effect | (72) Name, surname of creator (country code) |
| (28) Number of designs included in the application | (73) Name, surname and address of patent owner (country code) |
| (30) Data relating to priority (number of application, date of filing of application, two-letter code
identifying the authority with whom the priority application was made) | (74) Name, surname of representative or patent attorney |
| (31) Number of priority application | (81) Contracting states concerned
II designated contracting states according to the 1960 Act
III designated contracting states according to the 1999 Act |
| (32) Date of filing of priority application | (85) Owner's permanent address |
| (33) Code of the country or regional organization allotting priority application number | (86) Owner's nationality |
| (34) Two-letter code according to WIPO St.3 identifying the authority with which the priority
application was made | (87) Owner's residence |
| (44) Date of publication of design and number of bulletin (the first publication) | (88) State in which the owner has a real and effective industrial or commercial establishment |
| (45) Date of publication of design registered by WIPO and number of bulletin | |
