INID CODES FOR IDENTIFICATION OF BIBLIOGRAPHIC DATA

INVENTIONS, UTILITY MODELS

- (10) Number of publication for application, which has been examined
- (11) Number of patent and kind of document
- (21) Serial number of application
- (22) Date of filing of the application
- (23) Date of exhibition or the date of the earlier filing and the number of application, if any
- (24) Date from which patent may have effect
- (31) Number of priority application
- (32) Date of filing of priority application
- (33) Code of the country or regional organization allotting priority application number
- (44) Date of publication of application not granted, but examined and number of bulletin
- (45) Date of publication of registered document
- (51) International Patent Classification Index

- (54) Title of the invention
- (57) Abstract
- (60) Number of examined patent document granted by foreign patent office, date from which patent has effect and country code
- (62) Number of the earlier application and in case of divided application, date of filing an application
- (71) Name, surname and address of applicant (country code)
- (72) Name, surname of inventor (country code)
- (73) Name, surname and address of patent owner (country code)
- (74) Name, surname of representative or patent attorney
- (85) Date of commencement of the national phase of International Application
- (86) Number and date of filing of international application
- (87) Number and date of publication of international application
- (94) Calculated date of expiry of the SPC or the duration of the SPC

DESIGNS

- (10) Number of publication for application
- (11) Number of patent and kind of document or number of registration
- (15) Date of registration/Date of patent renewal
- (18) Expected expiration date of patent or registration
- (21) Serial number of application
- (22) Date of filing of the application
- (23) Date of exhibition or the date of the earlier filing and the number of application, if any
- (24) Date from which patent may have effect
- (28) Number of designs included in the application
- (30) Data relating to priority (number of application, date of filing of application, two-letter code identifying the authority with whom the priority application was made)
- (31) Number of priority application
- (32) Date of filing of priority application
- (33) Code of the country or regional organization allotting priority application number
- (34) Two-letter code according to WIPO St.3 identifying the authority with which the priority application was made
- (44) Date of publication of design and number of bulletin (the first publication)
- (45) Date of publication of design registered by WIPO and number of bulletin

- (51) International Classification for designs (class and subclass of the Locarno Classification)
- (54) Title of the invention
- (55) Reproduction of the design
- (57) Description of characteristic features of the design including indication of colors
- (58) Date of recording of any kind of amendment in the Register
- (62) Number of the earlier application, registration and document number and if available the date of filing an application in case of divided application
- (71) Name, surname and address of applicant (country code)
- (72) Name, surname of creator (country code)
- (73) Name, surname and address of patent owner (country code)
- (74) Name, surname of representative or patent attorney
- (81) Contracting states concerned
 - II designated contracting states according to the 1960 Act
 - III designated contracting states according to the 1999 Act
- (85) Owner's permanent address
- (86) Owner's nationality
- (87) Owner's residence
- (88) State in which the owner has a real and effective industrial or commercial establishment

TRADEMARKS

- (111) - Number of registration
- (151) - Date of registration
- (156) - Date of the renewal
- (181) - Expected expiration date of registration
- (186) - Renewal expiration date of registration
- (141) - Date of cancel of duration of the mark
- (210) - Serial number of application
- (220) - Date of filing of the application
- (230) - Data concerning exhibition
- (260) - Number of application, for which favorable decision of examination about registration has been taken (publication number)
- (310) - Number of the first application
- (320) - Date of filing of the first application
- (330) - Code, identifying national or regional Office where the first application was made
- (511) - International Classification of Goods and Services for the purposes of registration of trade marks and/or list of goods and/or services classified according thereto
- (526) - Disclaimer
- (531) - Description of figurative elements of Trade Marks according to the International Classification of the Figurative Elements of Marks

- (540) - Reproduction of Trade Mark
- (550) - Nature and kind of Trade Mark
- (551) - Indication to the effect that the mark is a collective mark, a certification mark or a guarantee mark
- (554) - Three-dimensional mark
- (580) - Date of recording of any kind changes in respect of applications or registrations
- (591) - Information concerning colors claimed
- (731) - Name and address of the applicant
- (732) - Name and address of the holder of the registration
- (740) - Name and address of the representative
- (750) - Addreses for correspondence

(54) METHOD OF MAKING ZEOLITE
MODIFIED WITH MANGANESE
DIOXIDE CONTAINING FE³⁺ IONS

(57) A method of making zeolite, modified with manganese dioxide containing Fe³⁺ ions, provides zeolite treatment with Mn(II) salt water solution; and then, the electrolyzes with oxidizer NaClO having concentration of 4-6 g/l obtained by 50-100 g/l NaCl salt water solution. At that, Mn (II) salt water solution is added to Fe (II) salt water solution in molar ratio:

and oxidizing and electrolyzing processes are executed in various apparatuses.

 1 – Chemicals used in industry, agriculture, horticulture, forestry and aquaculture; manures and fertilisers; unprocessed plastics in all forms; adhesives for use in industry; petrochemicals and their derivatives; polymers and chemical additives to polymers; unprocessed artificial and synthetic resins; drilling muds and chemical additives for drilling muds; chemical solvents; lithium; sodium; hydrocarbons; hydrogen; hydrocarbons and natural gas derivatives; methane; detergents for industrial use; degreasing products for use in manufacturing processes; chemical condensation products; dispersants of petroleum products; chemicals products for the absorption or the removal of all petroleum products; release agents and fluids; chemicals used for petroleum refining; chemicals products for

the treatment, purification and decontamination of gases; urea, products derived from urea and ammonia [chemical products]; products for water treatment; chemical additives for use in industry; chemical additives for carburants, lubricants, fuels, bitumen and other petroleum products; chemical additives for insecticides, herbicides and fungicides; antifreeze and de-frosting products; coolants; hydraulic fluids and transmission fluids; brake liquids; solvents of petroleum origin (chemical products).

2 – Mastic (natural resin); anti-rust products; anti corrosion products, paint for motor vehicles.

3 – Cleaning, polishing, scouring, stripping and abrasive preparations; products for washing and maintenance of vehicles; products for washing and maintenance of machines and buildings; stain removers; windscreen cleaning liquid.

4 – Petroleum (crude or refined); electrical energy in all forms; fuels; biofuels; carburants and biocarburants; fuel oil; natural gas and petroleum gases in all forms; lubricants, industrial oils and greases; base oils; petroleum additives used in industry; non-chemical additives for carburants, lubricants, fuels, bitumen and other petroleum products; non-chemical additives for insecticides, herbicides and fungicides.

5 – Products for destroying noxious animals; insecticides, herbicides, fungicides, pesticides; phytosanitary products; disinfectants; air freshener sprays.

6 – Containers and metal containers for storage or transport; metal plugs; metal cylinders, tanks and vats for gas and petroleum products; pipelines, hoses and metal pipes for the transport of gas and petroleum products.

7 – Apparatus and installations for the production of energies; electricity and gas generators; wind turbines and parts thereof; motor parts; motor filters; oil refining machines; power generators for vehicles; fuel dispensers for service stations; industrial robots; automated robotic apparatus dedicated to energy services, environmental protection or sustainable development.

9 – Scientific, surveying, photographic, optical, weighing, measuring, signalling, checking (inspecting) and teaching apparatus and instruments; apparatus and instruments for conducting, distributing, transforming, accumulating, adjusting, controlling and commanding electricity; electricity conduits and equipment for conducting electricity (wires, cables); electrical collectors; electricity measuring instruments; gasometers (measuring instruments); apparatus and instruments for monitoring and measuring energy; control apparatus and control instruments for energy management; energy regulators; electric cells and batteries, fuel cells and batteries; chargers for batteries and cells; solar apparatus and installations for the production of electricity; photovoltaic cells and modules; solar pa-

nels; accumulators for photovoltaic power; safety and automation apparatus for buildings and private houses; home automation systems; servers for home automation; frequency converters, voltage converters; electric accumulators and apparatus for recharging electric accumulators; protective and safety equipment and clothing; warning triangles for breakdown vehicles; spectacles and spectacle cases; loudspeakers; data processing equipment; software and mobile applications; diagnostic apparatus, not for medical purposes; apparatus and software for testing and analyzing petroleum and chemical products; electronic and magnetic cards; transmitters, cards and badges allowing access to road or motorway networks; radios for vehicles; batteries for vehicles; terminals and stations for recharging and supplying power to batteries and vehicles.

11 – Installations and apparatus for lighting, heating, cooking, steam generating, drying, refrigerating and ventilating; waste incinerators; installations and apparatus for purification, decontamination, depollution of air, water and soil; solar energy sensors and collectors for heating; installations and apparatus for the treatment, distribution and supply of gas; installations and apparatus for the distribution and treatment of water; regulating and safety accessories for water and gas installations; boilers; lamps for lighting.

12 – Vehicles; parts and fittings for vehicles; tyres for the wheels of vehicles, sun visors for automobiles, seat covers for vehicles, tire chains [land vehicle parts], safety belt; drones.

14 – Watches, horological articles and chronometric instruments.

16 – Printed matter; stationery and office requisites (except furniture); brochures, magazines, newspapers, prospectuses, catalogues, guides, books; packaging bags made of paper or cardboard; boxes of cardboard or paper; adhesives for stationery or household purposes; paper advertising and promotional materials and supports; adhesive labels; packaging of plastic materials, namely bags, sachets and sheets.

17 – Semi-finished artificial and synthetic resins; elastomer polymers; polymer films (other than for packaging or wrapping); synthetic rubber; unprocessed and semi-finished gums; semi-finished plastics materials; rubber stoppers; insulating products and materials; insulating oils and greases; seals and sealants.

18 – Luggage, bags; umbrellas; parasols.

19 – Non-metallic building materials; asphalts, bitumen, tars and their derivatives; bituminous coatings and binders for use in construction; non-metallic transportable structures.

20 – Containers and non-metallic containers for storage or transport; packaging containers of plastic; non-metallic plugs.

21 – Brushes, combs and sponges; cleaning articles.

25 – Clothing; footwear; headwear.

28 – Games; toys; gymnastic and sporting articles.

35 – Advertising and sales promotion services; organization and management of commercial operations for customer loyalty schemes; loyalty card services; organization of exhibitions or events for commercial or advertising purposes; advertising and commercial sponsorship and patronage; subscription and subscription management services (for third parties) for publications; administration, billing and accounting services on behalf of third parties; business management relating to the purchase, sale and supply of energies and petroleum, gas and chemical products; procuring of contracts on behalf of third parties for the purchase and sale in the field of energies; utility meter reading for billing purposes; promotion of goods on behalf of third parties powered by all kinds of energies; business advisory services and collection of business information relating to energy consumption (improvement and control of energy consumption); vehicle fleet management services; automatic toll collection subscription services; file, database and hosting platform management services; administrative management of the purchase of products and/or services; wholesale or retail services for petroleum, gas and chemical products; retail services for the following products: automotive products (petroleum and maintenance), vehicle accessories, food products and beverages, newspaper and stationary articles, books and various publications, drugstore products, hygiene and perfumery products, household cleaning products, audio and video products, toys, flowers, clothing and footwear, mobile telephones and accessories thereof, lottery games.

36 – Financial information and affairs; banking services; finance and credit services; insurance services; providing prepayment and payment cards services and other cards for financial purposes and financial services relating thereto; electronic funds transfer; financial advice and information in the field of energy; tax recovery services on behalf of third parties; brokerage of carbon credits; financial sponsorship and patronage; fund investment services; acquisition of holdings in companies or firms of all kinds, financial, commercial, industrial, investment or real estate; venture capital, private equity and development capital activities in the field of energy; consultancy in matters of energy project financing; financial transactions on wholesale markets for energy, gas, electricity and petroleum and chemical products; stock exchange brokerage in the energy field; brokerage of raw materials.

37 – Natural resource extraction services; refuelling and fuelling services; vehicle service stations; maintenance, washing and repair of vehicles and vehicle parts; vehicle oil change services; assistance in case of vehicle breakdown (repair); greasing, lubrication and engine tuning; inflation, repair and fitting of tyres;

road construction, maintenance and upkeep services; commissioning, maintenance, troubleshooting, repair of apparatus and installations of production, distribution and storage of energies; construction, maintenance and upkeep of refineries and structures for the production, distribution and storage of petroleum, gas and chemical products; rental of rigs and drilling equipment; drilling of wells; construction, installation and maintenance of pipelines, oil and gas pipelines; recharging of batteries; recharging of electric vehicles; installation, repair and maintenance of installations for supplying power to and recharging batteries and vehicles; installation of telephone equipment; installation, programming and maintenance of home automation systems in the field of energy.

38 – Telecommunication services; telephone and mobile telephone services; connection services and provision of internet access and access to other global computer networks; broadcasting, transmission and exchange of information and data by the Internet and by any tele-informatic means; electronic messaging services; providing access to platforms, blogs and Internet chat rooms; providing access to databases; information and data teletransmission for the maintenance of storage or distribution facilities of gas and electricity.

39 – Transport, packaging, distribution (delivery), storage, supply of goods, including petroleum, gas and chemical products as well as all products marketed in service stations; transport, distribution (delivery), storage and supply of energy in all forms; information and advice related to the aforesaid services; towing, rental and temporary provisioning of vehicles; traffic and transport information; navigation and geolocation services for vehicles.

40 – Production of all forms of energies; transformation and treatment of all materials for energy production; processing of natural elements (sun, water, wind) into energy; treatment, recycling and disposal of waste and organic matter; refining; purification, decontamination and depollution services for air, water and soil; decontamination, depollution and sanitation services for industrial installations and sites, equipment and apparatus in the field of energy production; technical information and advice to others relating to energy production; rental of apparatus and installations for generating energy in all forms and providing of information relating thereto; rental of chemical treatment apparatus and installations and provision of information relating thereto; mixing lubricants for third parties.

41 – Education; training; entertainment; sporting and cultural activities; publishing of publications (other than advertising) in any form; organization and conducting of competitions, lotteries and sporting competitions; organization and conducting of colloquiums, forums and seminars, conferences, congresses; pro-

duction of shows and films; organization of exhibitions for cultural and educational purposes; organization of information campaigns.

42 – Industrial analysis and research services; engineering services; research, prospecting and exploration services for the oil, gas and mining industries; oil-well testing; commissioning, studies and appraisals of oil, gas and mining deposits; scientific, technological research and technical assistance (engineering) in the field of energies; design and development of energy distribution networks; architectural services and drawing up plans for the construction of installations in energy field and refining; technical consultancy and technical project studies relating to the production and distribution of energies; study, research and development in the field of energy and petroleum, gas and chemical products; research in the field of environmental protection, waste treatment and sustainable development; analysis, diagnostic and testing services in the field of energies; laboratory, analytical, diagnostic and testing services for petroleum, gas and chemical products; audit and expertise services relating to energy and energy consumption; control and audits of safety and quality; technical assistance services with certification and approval; technical inspection and appraisals (engineering services) of installations operating with the aid of energy of all kinds; technical inspections of vehicles; technical services for remote meter reading of energy consumption; design and analysis of computer systems; supply of application service provider [ASP].

43 – Restaurant services (food); restaurants; cafeterias; hotel services, temporary accommodation and booking services thereof.

45 – Security control services for production, storage, transformation and distribution facilities of energy, water, and petroleum, gas or chemical products, and consultations relating thereto; licensing, including licensing of intellectual property rights, technologies, and franchise concepts to third parties; security consulting services in the field of energy; legal and tax advice on energy savings; online social networking services.
